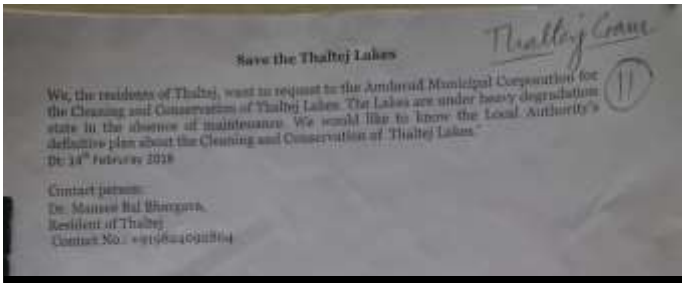
‘Save The Thaltej Lakes’ Campaign at Ahmedabad

←↑ Two of the four lakes at Thaltej are near extinction. The campaign is to clean and conserve the lakes towards developing a public space.

Signature Campaign with people around Thaltej Lakes →



Save the Thaltej Lakes

We, the residents of Thaltej, want to request to the Amdavad Municipal Corporation for the Cleaning and Conservation of Thaltej Lakes. The Lakes are under heavy degradation state in the absence of maintenance. We would like to know the Local Authority's definitive plan about the Cleaning and Conservation of Thaltej Lakes."
